I am participating in the **Purple Day Bunny Hop**
To support epilepsy & seizure awareness in Durham Region.
Would you be willing to help sponsor me?

Purple Day was an idea that began two years ago by Cassidy Megan from Nova Scotia who has epilepsy. She decided that there should be one special day each year so that kids (and grown ups) with seizures wouldn't feel so alone. Since then, her idea has grown worldwide and on March 26th, 2011, people all over the globe will be holding special events and wearing purple to show they care.

Cassidy is making a difference, and we know that the kids in Durham Region can too. So we're holding a region wide **Purple Day Bunny Hop** to show just how many hops we can do!

Please sponsor me so that we can continue to help the more than 36,000 people living with epilepsy right here in Durham Region. On March 26th remember to wear purple to show your support too!

Charitable Receipts Will be Issued for Pledges for $20.00 or More, Thank You Again!
