

The Epilepsy Journey – By Seniors for Seniors

The goal of the in-service presentation provided through ‘The Epilepsy Journey,’ is to enhance our community capacity to create support and eliminate isolation by sharing resources, expertise, experiences and decrease stigma. Seniors and children represent 60% of those newly diagnosed with epilepsy; accordingly, it is crucial that these individuals and their peers have a stronger understanding of what seizures are and how they affect one’s life.

Please complete this form and fax it to **(905) 430-3080** or e-mail it to **clientservices@epilepsydurham.com**. Along with the presentation the in-service will include an emergency action plan and reference kit. A representative will contact you for confirmation.

Registration Form

Date of Presentation: _____ Time: _____

Name of Seniors Residence: _____

Contact Person: _____ Phone: _____

Email: _____

Address: _____ Postal Code: _____

Major intersection: _____

Number of Participants: Staff: _____ Residents: _____ Number with epilepsy: _____
